The British bark *Conrad* reports fourteen days to Pulo Obi, then strong winds from N.E. and very strong current setting to the S.W., then heavy weather across to the Luzon Coast, which was sighted on the 24th ultimo; then light winds until the 28th; strong winds across the China sea with heavy sea obliged the ship to the Westward of the Pratas; strong N.E. winds on the 2nd.

The Norw. bk'tine *China* reports the British barque *Otter Caps* leaving in company, hither; had the usual calms and baffling winds so far as Pulo Obi, which was passed on 24th Jan., then moderate monsoon until the 29th, when had a short gale from N.N.E. with heavy sea; on 8th February, off *Flora Temple* reef, spoke Norwegian barque *Akershus*, Bangkok, hither, 34 days out; off Cape Balinoa, on February 24th, was in company with a Siamese barque, which had lost main-top-gallant-mast; across the China Sea strong breeze from N.E. with usual heavy sea; 45 days out.

The British ship *Annesley* reports on leaving Melbourne, passed West of Tasmania, skirted the Coral Sea, passing W. of Bamptom Reef; February 3rd, made Treasury Island; passed between Bougainville and New Ireland on the 12th, having been detained in the vicinity of the Strait for more than a fortnight; crossed the Equator on the 16th, in long. 153 E.; passed S. and W. of Ulea on the 20th, and N. and E. of Oaluthi on the 22nd, carrying N.E. winds across to Bashee Channel, which was entered on the 28th, thence strong N. and N.E. winds with thick overcast weather until making the land; 55 days out. HONGKONG, MARCH 3RD, 1871.

HONGKONG RACES.

SECOND DAY.
Thursday, 2nd March, 1871.

Yesterday's racing was strong in ponies, and very uninteresting as to horses. The Challenge Cup was a perfect damper on all spirits, occurring as it did early in the programme, and the languid excitement about the Hongkong Cup was over long before the race was. It is a pretty safe rule to gauge the interest felt in the races by the attention paid to the tiffin, and certainly yesterday the number and duration of the meals was quite incompatible with any serious thoughts about "my horse." Indeed, it seemed to be generally concluded that "my horse" would in all probability not run, and consequently the drawer felt more anxiety about the performances of the Commissariat and the excellent band than about the more immediately appropriate subjects of interest on a race-course. Ladies were present in fairly large numbers, and appeared, like the rest of humanity, to take more interest in the pony-races than the horse-processions. It appears that the unexpected discomfiture of Earl Perl on Wednesday is to be attributed to the fact that the plucky little horse broke a blood-vessel, which will probably disable him from starting for the Hack Stakes to-day.

1.—THE GERMAN CUP, value 100 Guineas, presented by the Members of the Club Germania, for China and Manila Ponies. Weights as per Scale. Entrance $10. Two miles.

Mr. Rudolph's Skelp, 10st. 10lbs.......... 1
Mr. Alexander's Hamlet, 10st. 6lbs.......... 2
Mr. St. Andrew's St. Patrick, 10st. 2lbs.......... 3
Mr. Henry's Cambalu, 10st. 10lbs.......... 0

This was one of the best races, as it was the first, of the day. After a false start St. Patrick got away with a short lead, followed in order by Skelp, Cambalu, and Hamlet. This order was preserved until reaching the starting-post after the first round, where St. Patrick shot farther in front, and Hamlet dropped farther back, Skelp apparently waiting on Cambalu. On reaching the stand the second time the positions had all closed up considerably, and at the starting-post Hamlet came up to the front with a rush, carrying Skelp (who had done with Cambalu) along with him. The two simply ran away from the others, Skelp leading at the village and increasing in the straight to four lengths. Hamlet reduced this to a length and a half at the finish, but could not have gone many yards farther. Time 4m. 47¾secs.

2.—THE CHALLENGE CUP, value 500 Guineas, for all Horses. Entrance $10. Arabs, 9st.; Colonials, under 5 years 10st., 5 years and upwards, 10st. 4lbs.; English Horses, under 5 years, 10st. 7lbs., 5 years and upwards, 10st. 11lbs. Horses bred on the Continent or in America from Blood Stock to carry weight as English Horses. No allowance for Mares, Geldings, or Half-bred Horses. To be won two years consecutively by a Horse or Horses the *bond fide* Property of the same Owner. Two miles.

Mr. St. Leger's North Australian,.......... 1
Mr. Hooper's Javelin,.......... 0

As soon as the numbers went up and North Australian and Javelin were announced to start, excitement was naturally at its highest pitch. Of course it was extremely desirable to know whether North Australian could beat Javelin or not, and this doubtless accounted for the various murmurs of "moral," "walk over," "I'll take those Mexicans," &c., &c., which were audible long before the start. As to the race, it was charming in every sense. Javelin did *not* get eight lengths' start, and consequently he stopped in disgust opposite the Public Garden the second time round. The band did not play "The Dead March in Saul," but "See the Conquering Hero," and considering the importance of the conquest, no doubt they were perfectly justified.

3.—THE PARSEE CUP, value $200, presented by the Parsee Community, for all China and Manila Ponies. To be handicapped by the Stewards immediately after the German Cup. Non-starters in the previous races of this Meeting to carry maximum weight, namely, 12st. Entrance $10. One-mile-and-a-quarter.

Mr. Alexander's Vertugadin, 10st. 7lbs.......... 1
Mr. Sarmfan's Alchemist, 10st.......... 2
Mr. Alexander's Hamlet, 11st. 4lbs.......... 3
Mr. Rudolph's Skyte, 12st.......... 0
Mr. Henry's Algebra.......... 0
Mr. Pat's The Hermit, 10st. 4lbs,.......... 0
Mr. Melchers' All Fours, 10st. 7lbs.......... 0

After the start the ponies were all in a heap, Algebra showing out first and leading past the Stand. Skyte's heavy weighting was too much for him, and Hamlet though he ran gamely was also unable to win with his load. Vertugadin and Alchemist came to the front, and raced neck and neck all the way up the straight, coming in a dead heat amidst deafening cheers, Hamlet a moderate third. The heat was run off after the Stewards' Cup, and the same level running took place up to the last furlong, where Vertugadin headed his opponent and won by two and a half lengths. Time, 1st heat 2.54¾; final heat 2.55.

4.—THE STEWARDS' CUP, value $100, for all Ponies and Galloways not over 13 hands 3 inches. Weights: Indian, 10st. 7lbs.; Straits, Manila, China and Japan, under 13 hands, 9st. 7lbs., 13 hands and over, 10st. 3lbs. Winner of this year's Welter, 7lbs. extra. Entrance $5. One-mile-and-a quarter.

Mr. Amoy's Viceroy,.......... 1
Mr. Sarmfan's Caviare,.......... 2
Mr. Brazig's Peradventure,.......... 3

After a splendid start, Peradventure went two lengths ahead, Caviare and Viceroy waiting behind him. After passing the stand Caviare pulled up to Peradventure, and raced with him to the mile and a half post. Here Viceroy's rush took place, and he lost no time in carrying Caviare with him far away from Peradventure. It looked a close thing for a few seconds, but directly afterwards Caviare was seen to be whipped, and then it was all over. Viceroy had his head and required no flogging, coming in a good two and a half lengths in front. Time 2.38.

5.—THE BROKERS' CUP, value $200. For all China and Manila Ponies. Weights as per scale. The Winner of any race at this Meeting to carry 7lbs. extra, and of two Races, 12lbs. Entrance $5. One-mile-and-a-quarter.

Mr. Rudolph's Skelp,.......... 1
Mr. St. Andrew's Atout,.......... 0

Skelp's rider as usual kept his pony well in hand at first, and Atout scampered away with a lead of two clear lengths until half way round the second time. Here Skelp darted up to and past him, but on emerging from behind the Rock Atout had come up with his opponent again. Skelp's powers under his 12 extra lbs. were calculated to a nicety, and though there were several shouts to the effect that he was being punished, his rider did not touch him with the whip, notwithstanding that he was not clear of Atout till he was well up the straight. Skelp won in beautiful style. Time 2.55.

6.—THE HONGKONG CUP,—presented—value £100, for all Horses. To be handicapped by the Stewards immediately after the Race for the Stewards' Cup. Winner of the Challenge Cup of this Meeting excluded. Entrance $10. One-mile-and a-half.

Mr. Derwent's Birmingham, 10st. 4 lbs.......... 1
Mr. Hooper's Javelin, 10st.......... 2
Mr. Barey's Exeter, 11st.......... 0

The dark horse after all was nowhere. There were sundry portentous whispers to the effect that Exeter was to do something wonderful, though no one knew anything of his condition this year. However they all turned out mistaken. Javelin went away with a long lead, Birmingham waiting on Exeter. At the stand Exeter drew up to Javelin, and then Birmingham came to the front with Javelin behind him. This order was preserved to the end, Birmingham winning in a canter, Javelin well ridden, beating Exeter by a length or two. Time, 3.01.

7.—THE SCURRY STAKES, for China, Manila and Japan Ponies. Catch Weights. Entrance $5, with $100 from the Fund. Last Pony to pay second Pony's entrance. Winner of the Valley Stakes to carry 7lbs. extra. Three-quarters-of-a-mile.

Mr. Rudolph's Skyte,.......... 1
Mr. Sarmfan's Ariel.......... 2
Mr. Henry's Algebra,.......... 0
Mr. Pat's Kailoo,.......... 0
Mr. William's Asti,.......... 0

On account of the dead heat the last race was not got off till it was almost too dark to see it. Ariel led at first from a very bad start, and Skyte came up afterwards at the straight. It was a merry spin altogether, and Skyte had to do all he knew to win, which he did by a short half length. Kailoo came in for the honour of the wooden spoon, and the pleasure of paying Ariel's entrance.

BORDEAUX, 1st February.

Gambetta has telegraphed to Jules Favre complaining of briefness of explanation furnished regarding the treaty concluded at Versailles, he claims particulars regarding the state and fate of Paris, and says that the Municipal Council at Bordeaux protests against any peace not completely honorable, and prays the delegation at Bordeaux keep in readiness to continue the war.

Gambetta also issued proclamation saying that France should counteract the calculations of Prussia, who counts on the armistice to enervate the French armies, and declaring that France should take advantage of the armistice to organise more than ever the means of defence and for carrying on the war, and establishing national Republican Chamber willing to accept only honorable peace.

LONDON, 3rd February.

M. Gambetta replies that Bismarck's insolent interference is insufferable, and declares that France wants an Assembly desirous of continuing war.

Warlike feelings prevail in the south of France.

Bismarck's conditions of peace as published in London and at Bordeaux are inaccurate as regards Lorraine, the cession of Pondicherry and twenty (20) French ships of war.
